Marjean McConnell, Deputy Superintendent

Dear Parents,

In order to make parents and students aware of the rules and guidelines contained in the District's Code of Student Conduct, we are requesting that parents and their children review the Code and return this form to the child's teacher.

This Code has been written so students and family members know what behavior is expected and prohibited at school and school activities. It is helpful if parents or guardians are aware of school rules so they can help support them from home. Failure to return this acknowledgement will not relieve a student or the parent(s)/guardian(s) from the responsibility for knowledge of the contents of the *Code of Student Conduct*.

You can review the Code of Student Conduct in one of two ways: 1) Go online to <http://www.d93schools.org> and click the "Students & Parents" link at the top of the page. Then click the "Code of Student Conduct" link in the drop down list; or 2) Return this form to your child's teacher for a printed copy.

Please fill out only one of the following boxes:

I do not have internet access. Please send a printed copy of the Code of Student Conduct home with my child.
